

CALL FOR ABSTRACTS
RESIDENTS AND FELLOWS
ACUTE CARE RESEARCH SHOWCASE

Friday, March 6, 2020, 11:00 am – 3:00 pm
Medical Sciences Building (MSB) E351

You are invited to submit an abstract for the Residents and Fellows Acute Care Research Showcase, to be held on March 6, 2020, at UC's Medical Sciences Building (MSB) E351, beginning with an 11:00 am Poster Session.

The **purpose** of this Showcase is to highlight basic, translational, and clinical acute care research performed by residents and fellows in Cincinnati's Academic Health Center, with a focus on research that has the potential to impact care delivered in acute settings.

Top 5 exceptional abstracts will be invited to deliver a 10 minute oral presentation at the Showcase. Abstracts will also be chosen to participate in the Showcase Poster Session. Awards will be presented for Best Oral Presentation, Best Poster, and Best Collaborative Abstract.

If you have an abstract that **aligns with our purpose** - and was presented in the past year, is about to be presented elsewhere this year, or is new/preliminary data - then we invite you (residents, fellows and other trainees) to submit your work.

Important Abstract Submission Information:

1. Use separate section headings, to include: Background, Objectives, Methods, Results (or **anticipated*), Conclusions/Implications
2. Word count - 500 words or less (excluding title, authors/affiliations, graphics)
3. **Abstract deadline EXTENDED TO JANUARY 31, 2020**

**For results not finalized at time of submission, include a description of anticipated results, which must be expected to be available by deadline above.*
